Starlight Night - 12/03 | 12/14 - Art Show

History

Since the Great Depression, Bingham has had the tradition of holding an annual holiday fundraiser to help members of the community and instill a love of service in the students of Bingham High School. Over the years it has grown to be a massive event not just within Bingham High School, but also with the surrounding community. This tradition has evolved into what we now call TrueBlue.

TrueBlue Now

During these three weeks, we fundraise like crazy. Almost every day we have an activity going on to involve the students and community. Nearly every night we go door to door doing odd jobs for members of the community in exchange for donations. And every hour we work to make sure we're able to reach out to as many people as possible, all to help a good cause.

And this year, we want to make it the biggest and best it's ever been.

Where is the Money Going?

This year, we want the money to mainly help out the community. We want to provide a Christmas to those families in need. We're planning on working with organizations that help the South Jordan community to find and help those who are in need. We're also planning on using the money to fund service projects that members of the community and Bingham students can participate in, so they get hands-on service opportunities such as tying blankets or putting together care-kits. Every cent will be going to help those in need in the community.

Community Involvement

We'd love for the community to get involved in our fundraiser! If you'd like to donate, please go to Bingham High's main office or donate at <http://trueblue.binghamstudgov.org>. Our Zumbathon, Talent Show, and Art Show are open to all community members and students, so if you'd like to come and support, please stop by!
